

Dear Brothers and Sisters

Catechesis for youth and adults.

I would like to personally invite everyone, youth and adults, to the catechesis which is beginning in our parish this Monday, February 4 at 8 PM. The Church has a great good news to announce to each of us in the Gospel.

I will be giving these catecheses together with a team from our parish, every Monday and Thursday evening at 8 PM.

I sincerely hope you can attend and be part of this event in our parish. I myself listened to these catecheses when I was a college student, this experience was instrumental in me being a part of the church, and discovering my vocation.

This invitation is for everyone, young and not so young, married and single, those who come to church every week and those who come seldom, those who have their life together and those who are suffering.

You are invited to simply come and listen; a seat will be waiting for you.

Fr. Sean
